Re: Kidney Foundation Bursary

Dear: Guidance Counselor

The Kidney Foundation of Canada, Atlantic Branch, will be offering four \$500 bursaries, one for each of the Atlantic provinces this year. I have enclosed the application for you to distribute to students that are returning to school in the fall and whose families are affected financially by kidney disease.

This year's deadline is June 15, 2017 and you may forward completed applications to me at the above address or they can be emailed to [kidneyatlantic@kidney.ca](mailto:kidneyatlantic@kidney.ca)

If you have any questions please don't hesitate to call myself at 709-753-8999 or Linda Garwood, Executive Assistant at 506-453-0533 or toll free 1-877-453-0533.

Sincerely,

Trina Ralph  
Executive Director
